

Dear Friends,

We are excited to be gearing up for the 2023 South Texas Farm and Ranch Show to be held October 25<sup>th</sup> and 26<sup>th</sup> at the Victoria Community Center. The show will be in-person again and will include the various commercial exhibitions and worthwhile educational seminars that we all look forward to. The golf tournament will also be back this year!

Your continued support is truly appreciated as The South Texas Farm and Ranch Show and annual golf tournament's fundraising efforts directly impact the outstanding future agricultural students in our area in the form of scholarships. Over \$19,000 is awarded each year and this could not be possible without partners like you!

If you are a commercial exhibitor, your 2023 booth space is reserved from the 2022 show until August 1, 2023. We invite you to increase your advertising exposure by becoming a show sponsor.

For this year's show, we are again combining sponsorships for both the educational seminars and the golf tournament. Please see the below opportunities and consider being recognized as a 2023 South Texas Farm and Ranch Show & Golf Tournament Sponsor.

Thank you for your continued participation!

Sincerely,

*Rena Scherer*

Sponsorship Chair, 361-676-6450
